WASHINGTON

MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES,  
AND PUBLIC INTEREST GROUPS

Subject: Joint Financial Management Improvement Program -- Financial  
Management Improvement Awards

The Principals of the Joint Financial Management Improvement Program (JFMIP) are seeking nominations for the 1980 annual Financial Management Improvement Awards. These are the only awards sponsored by the Federal Government which specifically recognize exceptional achievements in financial management in Federal, State, and local governments. As one of the JFMIP Principals, I encourage you to recognize executives in your organization who have excelled in financial management. These awards provide you with the opportunity to acknowledge senior financial management executives who, through outstanding and continuous leadership in financial management, have been principally responsible for significant economies, efficiencies, and improvements in the public service.

Last year, the JFMIP recognized U.S. Department of the Interior Inspector General June Gibbs Brown and Rhode Island Auditor General Anthony Piccirilli.

The JFMIP is accepting nominations of Federal, State, or local government employees who are senior executives and have demonstrated outstanding and distinguished leadership resulting in effective financial management improvements over the years. Nominations should conform to the criteria and format in the attached brochure. Four copies of each nomination should be submitted to:

Awards Committee  
Joint Financial Management  
Improvement Program  
666 11th Street, N.W.  
Suit 705  
Washington, D.C. 20001

All nominations must be received by JFMIP before January 9, 1981. Engraved plaques will be presented to those selected for awards at the 10th Annual Financial Management Conference on March 23, 1981, in Washington, D.C.

We look forward to receiving your nominations.

G. William Miller
